18 October 2021

Dear Parent/Guardian,

Traralgon South Primary School is looking forward to another great year of teaching and learning and would like to advise you of Traralgon South Primary School's voluntary financial contributions for 2022.

Schools provide students with **free instruction** to fulfil the standard Victorian Curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to provide resources to your child beyond the standard level, strengthening the quality of all of our educational programs. This includes the provision of a vast array of classroom equipment and resources such as those listed on the following pages. Without your financial contributions, the curriculum offered to our students would not be as rich and stimulating as that currently provided. Furthermore, financial contributions from families allows our school to upgrade equipment and facilities, provide enhanced digital learning experiences, and deliver additional special curriculum experiences to our students.

For further information on the DETs Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Joel Blythman
Principal

Erin Riseley
School Council President

Refunds

Our school will consider requests for partial or full refunds of payments made by parents on a case-by-case basis, considering individual circumstances.

Generally, we will not be able to refund payments made for items purchased or costs that have already been paid where those funds have already been transferred to a third party. For example, camp costs when a child becomes unwell and cannot attend in circumstances where the payment has already been made or committed

to a third party and no refund is available to the school. Where possible, we will make this clear to parents at the time of payment.

Our school will also take into consideration the DETs Parent Payment Policy and Guidance, Financial Help for Families Policy, and other relevant information.
