In some limited instances, we may need to refer the complainant to another policy or area if there are different processes in place to manage these including:

- Complaints and concerns relating to fraud and corruption will be managed in accordance with the department's [Fraud and Corruption Policy](#).
- Criminal matters will be referred to Victorian Police.
- Legal claims will be referred to the Department of Education (DE) Legal Division.

We recognise that the complaints process provides an important opportunity for reflection and learning.
2. We value and encourage open and positive relationships with our school community. We understand that it is in the best interests of students for there to be a trusting relationship between families and our school.

3. When addressing a complaint, it is expected that all parties will:

- be considerate of each other's views and respect each other's role.
- be focused on resolution of the complaint, with the interests of the student involved at the centre.
- act in good faith and cooperation.
- behave with respect and courtesy.
- respect the privacy and confidentiality of those involved, as appropriate.
- operate within and seek reasonable resolutions that comply with any applicable legislation and DE policy.
- recognise that schools and the DE may be subject to legal constraints on their ability to act or disclose information in some circumstances.

4. Complaints and Concerns Process for Students:

Traralgon South Primary School acknowledges that issues or concerns can cause stress or worry for students and impact their wellbeing and learning. Traralgon South Primary School encourages our students to raise issues or concerns as they arise so that we can work together to resolve them.

Students with a concern or complaint can raise them with a trusted adult at school, for example, with your classroom teacher, Education Support staff, and/or the Principal. This person will take your concern or complaint seriously and will explain to you what steps we can take to try to resolve the issue and support you.

You can also ask your parent, carer or another trusted adult outside of the school, to talk to us about the issue instead. Information about our parent/carer complaints and concerns process is outlined further below. The parent/carer process also applies to students who are mature minors, refer to: [Mature Minors and Decision Making](#).

Other ways you can raise a concern or complaint with us include:

- Talking to a member of the Junior School Council about your concern and any suggestions you have for resolving it.
- Participating in our Attitudes to School Survey (for Grades 4-6).
- Writing an anonymous note and submitting it to the General Office.

Further information and resources to support students to raise issues or concerns are available at:

5. Complaints and Concerns Process for Parents, Carers, and Community Members:

a. Preparation for Raising a Concern or Complaint:

Traralgon South Primary School encourages parents, carers or members of the community who may wish to submit a complaint to:

- carefully consider the issues you would like to discuss.
- remember you may not have all the facts relating to the issues that you want to raise.
- think about how the matter could be resolved.
- be informed by checking the policies and guidelines set by the DE and Traralgon South Primary School.

b. Support Person:

You are welcome to have a support person to assist you in raising a complaint or concern with our school. Please advise us if you wish to have a support person to assist you, and provide their name, contact details, and their relationship to you.

c. Making a Complaint:

Where concerns cannot be resolved in this way, parents or community members may wish to make a formal complaint to the Principal.

If you would like to make a formal complaint, in most cases, depending on the nature of the complaint raised, our school will first seek to understand the issues and will then convene a resolution meeting with the aim of resolving the complaint together. The following process will apply:

- i. **Complaint received:** Please either email, telephone or arrange a meeting through the front office with the Principal, to outline your complaint so that we can fully understand what the issues are. We can discuss your complaint in a way that is convenient for you, whether in writing, in person or over the phone.
- ii. **Information gathering:** Depending on the issues raised in the complaint, the Principal may need to gather further information to properly understand the situation. This process may also involve speaking to others to obtain details about the situation or the concerns raised.
- iii. **Response:** Where possible, a resolution meeting will be arranged with the Principal to discuss the complaint with the objective of reaching a resolution satisfactory to all parties. If after the resolution meeting we are unable to resolve the complaint together, we will work with you to produce a written summary of the complaint in the event you would like to take further action about it. In some circumstances, the Principal may determine that a resolution meeting would not be appropriate. In this situation, a response to the complaint will be provided in writing.
- iv. **Timelines:** Traralgon South Primary School will acknowledge receipt of your complaint as soon as possible (usually within two school days) and will seek to resolve complaints in a timely manner. Depending on the complexity of the complaint, Traralgon South Primary School may need some time to gather enough information to fully understand the circumstances of your complaint. We will endeavour to complete any necessary information gathering and hold a resolution meeting where appropriate within 10 working days of the complaint being raised. In situations where further time is required, Traralgon South Primary

School will consult with you and discuss any interim solutions to the dispute that can be put in place.

Please note that unreasonable conduct (e.g.) vexatious complaints, may need to be managed differently to the procedures outlines in this policy.

6. Resolution:

Where appropriate, Traralgon South Primary School may seek to resolve a complaint by:

- an apology or expression of regret.
- a change of decision.
- a change of policy, procedure, or practice.
- offering the opportunity for student counselling or other support.
- other actions consistent with school values that are intended to support the student, parent and school relationship, engagement, and participation in the school community.

In some circumstances, Traralgon South Primary School may also ask you to attend a meeting with an independent third party, or participate in a mediation with an accredited mediator to assist in the resolution of the dispute.

7. Escalation:

If you are not satisfied that your complaint has been resolved by the school, or if your complaint is about the Principal and you do not want to raise it directly with them, then the complaint should be referred to the DE South-Eastern Victorian Region by contacting 1300 338 738.

Traralgon South Primary School may also refer a complaint to DE South-Eastern Victorian Region if we believe that we have done all we can to address the complaint.
