Dear Parents,

Welcome back to all parents and children for Term 2!

I am so pleased to be able to help lead Traralgon South Primary School whilst Adam takes a well-deserved holiday with his family. I have spent the last week getting to know as many of your children as I possibly can and have been extraordinarily pleased with their positive attitudes and focus on learning. I look forward to speaking more with all of the parents and students as the term goes on. Please feel free to come by and introduce yourself any time.

Next week, our School Captains, House Captains and Junior School Councillors will all be presented with their badges by Russell Northe at assembly on Monday morning. This is just in time for our School Captains to perform their first official duty when they lay a wreath at the ANZAC Day Service later in the week. Jesse and Savannah are taking to their new roles well, and I'm positive that they, and all of the student leadership, will continue to be superb representatives of the school and their peers.

***Dan Swallow - Acting Principal***

### **COLES SPORTS FOR SCHOOLS PROGRAM**

I am hoping to send off the last of these vouchers this week. If you have any at home please send them along asap. I sent off another full satchel over the holidays and our running total should be approximately 17,800 vouchers with more still to get added on. Thanks to all for your support.

### **REBEL SPORT REWARDS PROGRAM**

Mrs Travers was able to select P.E. / sports items to the value of \$250 approximately at the end of last term and we received another \$125 credit yesterday which has now also been used for more equipment.

### **TRARALGON HOCKEY CLUB**

Traralgon Hockey Club are recruiting juniors for the 2018 season. Training commences this week on Wednesdays 4:30pm 5:30pm at Churchill synthetic pitch and/or Thursdays 4:30-5:30pm at Grey Street Primary School gym. Contact Anita Charles on 0428 164 628 if interested or require further information.

### **INCURSION - "A SLICE OF VAUDEVILLE"**

We have an incursion booked for Tuesday 22<sup>nd</sup> May for the whole school. Cost is \$6.00 per student. There is no permission form to be sent home as, being an incursion, this will be held at our school. Details of the performance are below.

The vaudeville format with its emphasis on variety is ideal for children and Alan Sloggett has all the skills and experience to keep his audience enthralled with his comedy, magic, puppets and ventriloquism. Children have always been fascinated by magic but when Alan combines traditional slight of hand magic with electronics, children are truly spellbound by what they see.

Gone are the days when the ventriloquist doll could only move and speak if it was attached to the ventriloquist. However it's not only the new and whiz-bang that gets today's media-savvy children's attention. When Alan claims that within fifty seconds he can make any animal the audience wants to name, even something as familiar as balloon sculptures take on a new life.

Juggling routines using both balls and batons are accompanied with comic dialogue which all adds to the pace and variety of this slice of vaudeville.

Positive messages abound throughout the show. Healthy eating, playing nicely, the importance of friends and being a good friend are all explored in various segments of this entertaining, visual show.

Payment to be made by Tuesday 15<sup>th</sup> May please.
