Dear Parents,

Many thanks to all of those parents that were able to spend some time at school last Sunday at our working bee. A great amount of work was completed around the school. We are always looking for other jobs to be completed to help keep our school pristine. A list will be placed on the School Council notice board near the office of jobs that constantly need doing. Any assistance with these jobs is most appreciated.

Last week I attended a series of meetings and forums about the current work being completed and overall goals in education across the state. It was pleasing to see and hear that we are well and truly on the right path here at TSPS. Whilst we understand that there are always improvements to be made and we need to remain working hard, we are on the right track to meeting not only our school goals, but also those goals of our Inner Gippsland area and statewide targets.

We have had some alarming reports of some near misses involving students travelling to school and cars near the intersection. The absolute safest method around that time of the morning is to physically hop off their bikes and walk it over the road and walk down to the footpath. I understand that at any other time of the day the streets of Traralgon South will not be as busy as they are at school drop off and pick up. If all parents could please continue to talk to their children about the safest way to arrive at school, we will continue to drive the safety message as well.

On our community notice board you will see a flyer for a tremendous initiative launched by the Victorian Police. They are asking for donations of novelty bandaids to donate to the Royal Children's Hospital as they can only supply plain ones. We will be collecting boxes of novelty bandaids for police collection at the end of May. If you are in a position to donate, these can be left at the front office.

It's been great to see so many classes receive class rewards of late for reaching Class Dojo targets. Not only has Class Dojo been beneficial in focusing students in on the desired behaviours, it has turned out to be a magnificent tool for communication between school and home too. Once we have our new school values in place, you can see how something like Class Dojo can be utilised even more to reinforce positive behaviours.

Adam Downes - Principal

PARENTS & FRIENDS MOTHER'S DAY STALL

Thank you for all the donations so far and there's still time to make a donation. Please label all baked goods with an ingredients list. The stall will have gifts for sale from 50 cents to \$5. We kindly ask that you give your child a maximum of \$10 to spend and please provide a bag. Happy Mother's Day to all the Mums and enjoy your day and gifts.

Melanie Harkess on behalf of Parent's and Friends Committee.

GIVE A DAMN GIVE A CAN

Each year The Rotary Club of Traralgon Central conducts a canned food appeal. Last year the club collected over 8500 tins of food for needy families. This lasts the food bank just 5 months, but it does mean Vinnies can meet the needs of the Traralgon community for the full 12 months.

The most significant part of this collection is that conducted by the Traralgon primary schools. All primary schools, government, Catholic and independent support the project. Last year the Traralgon primary schools between them collected over 6500 tins of food.

We ask that each family donate one tin of food per family. Of course you can donate more, but if we get one tin per family, we can get a collection of which we can be proud. Please send your child to school with one tin of food per family to support this appeal during the week of May 15-20th. Our collection will be picked up on Monday 22nd May at 9:00am. **Cans are to be taken to your child's class.**

FREE GYMNASTICS LESSON IN TRARALGON

To celebrate the 2017 Australian Championships coming to Melbourne **Energetic Gymnastics Club** in Traralgon is offering primary school children a free lesson. To book a free gymnastics lesson, contact the club and mention this school newsletter. Phone 5174 0131, email info@energeticgym.com.au or go to www.energeticgym.com.au. Energetic Gymnastics Club is located at 56 Dunbar Road in Traralgon.

**Free lessons are only available in Term 2 2017. This offer is not available to existing members.*
