

Dear Parents,

I hope everyone enjoyed their long weekend. The weather was quite good so it would have been a good chance to be out and about spending time with your family. We have three weeks remaining in this term which I am sure will be over before we know it. Our teachers have been busy writing reports over the past few weeks and they will be ready to be sent home in the last week of term. Our parent teacher interviews will take place early in term 3 with more information sent home at the beginning of next term.

Zone Cross Country Results

We had great efforts from our cross country runners at the Zone competition last Thursday. Congratulations to all students who competed and also to Blake, Tegan and Hannah for qualifying for the Regional Cross Country on the 19th June. Sam was also close to qualifying, finishing in 11th position, with the top ten going through. It was nice to see several of our parents attending and cheering on our athletes.

Wikispaces

Our students have been very eager to use our new iPad minis in the classroom. We have drawn up a roster so that each class has time to use them in their learning. A highlight at the moment has been creating videos of students explaining their understanding of what they are learning. We are developing a Wikispaces page where students and classes can post details about their learning. This can include documents they have created or attaching photos and videos of events and activities. We are working on making the wikispaces page searchable on Google, however, you can access the page at trralgonsthps.wikispaces.com. Use of this website is in line with our Acceptable Internet Use Policy. It is a great way for parents and other family and friends to view some of the learning that our students are undertaking whilst at school. I encourage you to ask your child about the Wikispace and have a look at their learning.

Joel Fraser - Principal

DATES TO REMEMBER

16 Jun	Mon	P&F Pie Drive Orders & Money Due In P&F Meeting – 9:15am approx. after assembly
17 Jun	Tue	Years 3-6 Excursion to Sale Art Gallery

P.E.	Jake Wheatley	For working hard on his kicking technique.
Principal	Ella Cheney	For being a responsible member of our school.

Awareness Day at Traralgon College Reports – By Grade 4/5

Year 5/6's went to Traralgon College Junior Campus. We had a tour of the campus and we saw the art that the students did. We saw the woodwork that some of the groups did. We also went past the science room, we went past the metal work shed and saw little Ned Kelly figurines. We went into the library and had a look around. Finally we got to go in the drama room. We saw the classrooms. They were separate and each of the 7, 8, and 9's had different buildings. Each building has letters that represents a word. For example T for Tara. The high school has a canteen which you have to be nice to the canteen ladies or you don't get anything. **By Brodie and Emily**

On the 5th of June we went to Traralgon College to get us used to high school. We went with Grey Street, Liddiard Road and Tyers. When we got there we went to their P.E hall to wait for the schools to arrive and then we played volleyball. There were different rules like we could catch the ball and dig. After that we went to have a snack and then we went on a tour of the school. For our next group we went to cook with the chef. He made brownies. They were yum. **By Flynn and Connor**

Cross country Zone Reports – By Grade 4/5

On Thursday 5th of June Hannah, Mia, Teagan, Sam, Jake, Calvin, Blake H and Eric went to zone cross country. It took place in Gaskin Park in Churchill. The schools that participated were St Pauls, Tyers and more that we can't remember. These schools were all from the Latrobe Valley district. The events started at 10:00 and ended at 12:00. The 12/13s went first then 11s then 9/10s. The order was boys, girls, boys, girls, boys than girls. Three people from our school moved on to the next cross country in Warragul. They were Teagan, Blake H and Hannah. We all tried our hardest, were proud of our efforts and we enjoyed the day. **By Jake and Teagan**

Today 8 students from our school participated in cross country zone level 2. The participants were Sam G, Blake H, Eric P, Jake W, Calvin L, Teagan S, Mia S and Hannah M. The schools that participated were most of the Latrobe Valley schools. In our school we had three people that got through to regional that was Blake H, Teagan S and Hannah M.

The people that are going through to regional are going to Warragul. It was very wet and muddy and the chances of slipping were very high. The first race had ages 12-13. Next it was 11's and then 9-10's. It was good see everyone trying their hardest. **By Blake H & Sam**
