

## Slice of Vaudeville Incursion - Recounts by Grade 2/3

On Tuesday Magic Allan came to Traralgon South. He had a magic show. He made a bird appear out of a handkerchief. It was amazing.

Magic Allan's show was fun because in the show Mr Allan with the birds Paul and Rainbow did amazing tricks. All of the birds were trained and when all of the birds finished their tricks they flew to the yellow pole. They were the best tricks I've ever seen and I think he was the best.

Wow!! Tuesday was amazing with Magic Allan. My favourite thing was Sunny the dummy, it was so funny. I also liked Rex the guinea pig. He made great illusions. I loved it and thought it was so good. I hope he comes next year.

On Tuesday the 22<sup>nd</sup> of May Magic Allan came to school for the whole school incursion. He did lots of tricks. His magic words were "Daga-loowie-maka-lie-lie". Some of his tricks were birds coming out of things and a flaming wallet.

On Tuesday the 22<sup>nd</sup> of May we had a show called A Slice of Vaudeville. It was a magic show. A man called Allan did all of the magic tricks. He had 5 birds, 1 guinea pig and also 2 puppets. My favourite magic trick was the puppet called Sunshine. He was very funny.

On Tuesday it was A Slice of Vaudeville and we got to see Magic Allan. He had cool tricks. I liked the trick where Sunshine was being silly, he said this when Magic Allan was putting him back in his box "it smells like dirty socks!" He only had one sock on and he threw his sock. It was making everyone laugh including me. It was so funny.

Thanks to the support of our school community we were able to hand over 307 canned items to Rotary on Monday morning. The final results per grade are as below. The grade who had the highest average per student, and therefore the "winners" of the free time, are Grade 2/3 - congratulations to them.

The can count per classroom was:  
Grade Prep - 52 cans average 2.47 cans per student  
Grade 1/2 - 51 cans average 2.42 cans per student  
Grade 2/3 - 75 cans average 3.12 cans per student  
Grade 3/4/5 - 74 cans average 2.74 cans per student  
Grade 5/6 - 55 cans average 2.03 cans per student

So far a total of 5516 cans of food have been collected from 9 local schools which is a terrific result for Rotary and the food bank.

Dear Parents,

With winter coming, the cold and wet has started to set in. This means that kids are looking for their winter clothes and finding all kinds of different possibilities. Please remember to ensure that children are dressed according to the school's uniform policy. If you have any concerns or queries regarding this, please direct them to the classroom teacher. Additional uniforms can be purchased through the front office and there are some second-hand uniforms available if necessary. Please also ensure that you label all items of clothing. A number of pieces are being found in the yard and classrooms, and we much prefer to deliver these straight back to their rightful owners. We are very aware that uniform can be expensive, so please communicate with us if this is proving an issue for you.

The winter sports have also come to town. Last week, it was a pleasure to umpire the football against Glengarry Primary School. Although they didn't win, they represented the school well. The netballers were successful and went on to play at District level yesterday. Unfortunately, that is the end of their road, but they succeeded in winning one of their District games. Our cross country runners did a great job in difficult conditions last week, and three will go on to represent the school at a region level. We really appreciate the efforts of all our school sport representatives and hope they enjoyed their sporting days immensely.

Our busy term has seen a number of forms go home. We apologise for the continuous barrage and thank you for being on top of things. Hopefully that can all calm down again now. In order to help us at the other end, please ensure that you are returning forms and money in a clearly labelled envelope, and that the forms and money are together. If you have issues with making payment at the time that it is due, it is important that you make an arrangement with Karyn. The school is very understanding that at times activities come on very short notice and we will endeavour to assist wherever we can.

Next week, we will have a big focus on organisation in the classroom and at home. Part of the learning that we want to come from this focus is a joint understanding that students have a responsibility for

their organisation. Permission forms are an important part of this. Please encourage them to bring letters and forms home, and to unpack their bags daily. Hopefully this will also help reduce the large number of permission form reprinting that we are having to do in the office (not to mention, remove a few mouldy items from school bags)!

Thanks for your support with our "Give a Can" effort. What a fantastic result!

### **PARENTS & FRIENDS CHOCOLATE DRIVE**

An expression of interest form was sent home with the eldest in the family on Monday for the P&F Chocolate Drive. If you did not receive this but would like to sell a box of 50 (or more) please send a note to the school with your name and how many you would be interested in selling. Chocolates will be ready to send home just before the school holidays.

### **TRACKY PANTS - SCHOOL UNIFORM**

As parents have been finding it very difficult to find reasonably priced royal blue tracksuit pants I have a sample in sizes 4, 6, 8, 10, 12 and 14. These will be \$16.00 each to purchase. We will not be stocking these but I will be taking orders for the next couple of weeks. Please call in to the school if you would like to see/try/buy.
