

Dear Parents,

Student Reports For Semester 1

Student reports will be sent home to parents next Wednesday 25th June, outlining your child's progress over the past 6 months. Opportunities to speak with teachers about your child's progress will be made available at parent teacher interviews which will be held in early term 3. For any other immediate concerns, please remember that teachers are available each morning prior to 8:50am and after school from approximately 3:40pm onwards. Teachers are also contactable by phone or email.

Lost Property

Our lost property box is overflowing with a large quantity of school jumpers that have not been claimed. If your child is missing a school jumper, please remind them to check the lost property box at school. Any items unclaimed by the end of this term will be returned to the uniform co-ordinator for sale as a second hand uniform. There are also quite a few plastic containers that need to be collected.

Active After School Program

This week was the last two sessions of the Active After School Program. The program will not operate next week and we will have a break until after the school holidays. We will provide further details in regard to the program next term, once the sports and availability of coaches has been finalised.

End of Term Early Dismissal

Parents are reminded that the last day of term will be next Friday the 27th June. As we have done in the past, school will conclude at 1:30pm on this day without having a lunch break. It is a good idea to ensure students have enough food during recess time. We will conclude the term with a short assembly from 1:15pm.

Joel Fraser - Principal

CROSS COUNTRY

On Thursday we have four students taking part in Regional Cross Country at Lardner Park in Warragul. Congratulations and all the best to Hannah Meyer, Sam Gissara and Teagan Schoolderman who are all competing in the 9/10 event and to Blake Henry in the 11 year old age group.

Solar Energy Generation

The reading this week is 31148kwh which means we have generated 116kwh since the last reading.

District Netball Report – Emily and Georgia Grade 4/5

On Wednesday the 11th of June some girls from Years 4, 5 and 6 played netball against Glengarry. It started at 11:30 and we ended at 12:30. We had two separate teams and Glengarry had one. The umpire was Mrs Travers. First the A team played against the Glengarry team and they won then the B team played and we lost. On B team was Phoebe, Hannah, Emily, Anya, Tiannah, Breanna, Ella, Olive and Georgia. On A team was Chloe, Emma, Zara, Hannah, Georgie, Elyse, Charli and Chelsi. The score for A team was 2 to 13 and B team 7 to 1. We all had fun and we all wanted to have another game.

ZONE NETBALL RESULTS

On Tuesday we had a team take part in Zone Netball. We lost two matches and won the last game. The girls all played to the best of their ability and represented our school very well. The weather was very kind to us and the girls had a great time. A huge thank you to Karen Pettifer for driving some of the girls into the courts. Also a big thanks to Katelyn Madsen, an ex student, who umpired for us on the day.

Zone Winter Sports

Students in Grade 4, 5 and 6 competed in the Zone Winter sports competition yesterday in Traralgon. After beating Glengarry at the District level last week, our netball team advanced through to Zone and competed well against much larger schools. Our girls played well winning three games and losing to eventual winners Grey St. Primary School. Mrs Travers did a great job coaching the team and was ably supported by the girls' mums.

The mixed soccer team had a tough game coming up against some much bigger and stronger students from other schools. Despite being outsized in each game, our players kept trying hard and had two close losses before two comprehensive losses to the two top teams. A big thank you to Paul Crowe who got our soccer team organised and did a great job of coaching. We also had good support from parents cheering from the sidelines.
