

Dear Parents,

Trivia Night Update

We have had some great donations so far for our Trivia Night on the 12th of September. Stacey Dinelli is still accepting donations for raffle and auction items. Tickets for the night are \$10 and are now available from Karyn at the office.

Life Ed Van

The Life Ed van visited our school last week and each grade had a session developing and learning about healthy lifestyle choices. Harold as always was a great hit with children as he and Jan presented lifestyle messages to our children. The 4/5 bCyberwise education is something that all families with children in this age group should follow up on in particular and is something I constantly discuss with my daughters and now to a lesser extent my older son. Further information can be found at www.mcafeecybered.com or www.lifeeducation.org.au to assist any discussions you may want to have.

School Uniform/Jumpers

We have had numerous children arrive at school without jumpers over previous weeks and come to the office and ask for a jumper. We unfortunately don't have a supply of jumpers at the office and cannot always ring homes to arrange one to be brought to school. Please ensure your child at least has a jumper in their bag when they arrive at school. I think you will agree we don't want to hand any jumper from lost property out. When we find jumpers outside, as long as they are named, most return directly to the child with some ending up in lost property. We do have lots of jumpers in lost property at the moment waiting to be collected.

School Nurse Visit

Tomorrow the districts school nurse will be visiting the school and working with the Preps who returned the appropriate forms. If you missed these forms or you have a concern with an older child in your family please contact the school in the morning to arrange a screening.

Matthew Snell – Acting Principal

MAKUKUHAN CONCERT (MUSICA VIVA)

This Friday 28th August, Makukuhan will perform for us in the Multi-Purpose room. We are really looking forward to hearing their music and being part of a fabulous concert. Parents, family and friends are most

welcome to attend the concert as well. The concert begins 12 noon sharp! The cost of the concert and another musical experience next week has been combined, so the total cost is \$9 per child. Can you please make sure that **payment is made before** this Friday's concert.

Next week, we have a musician, Simon Lewis coming to our school to work with our students. His focus is on technology and music, so we are utilising the iPads for his sessions. We are very fortunate to be a part of these wonderful musical experiences over the next week and we thank Parents and Friends for helping fund half of the Musician in the Classroom project.

Thank you - Yvonne Game

PARENTS & FRIENDS CHOCOLATE DRIVE MONEY DUE IN

A reminder that chocolate money was due back yesterday. If you are still to hand in the money, please do so asap.

COMMUNITY DINNER - FRIDAY 28 AUGUST

Come along to the next community dinner – catch up with friends at the end of the week and help support our local groups. Baked potatoes with a choice of three delicious toppings is on the menu, hosted by CATS Netball club. Have your choice of either bolognaise, chilli con carne or Hawaiian. For dessert there will be warm apple pie and ice-cream available for the adults and ice-cream and topping available for the kids. The dinner will be held on Friday 28th August at the Traralgon South Sports Pavilion. Email tsda@netspace.net.au to book in.

TWILIGHT NETBALL – SEASON COMMENCES WEDNESDAY 7TH OCTOBER

The Traralgon Netball Association is again running a twilight netball competition commencing on Wednesday 7th October (8 weeks season plus 2 weeks finals). Closing date for all entries is Wednesday 2nd September. Existing coaches from the winter competition will most likely not be coaching over twilight due to other commitments, so it will require new coaches to put up their hand and organise the teams. Each team must supply an umpire every week. If anyone would like the registration information and forms, please see Karen Pettifer (0417318538) and I can email all the details.

SCENTSY 10% OFF SALE

If you are after any Scentsy products, Sue Wilkerson has a 10% off sale on until this Saturday, 29th August. There are no postage/handling costs. Phone Sue on 0422 953 958 or 5195 5378 for orders/information.

Maths Challenge

Last week we had a greater level of participation in the maths challenge. We have two encouragement winners who have taken pride in solving the clothing challenge. Belle created model pieces of clothing to solve it, while Anya designed the combinations with technology.

This week's challenge is to create an origami design and explain what maths was involved in this task. List some key words and define those you needed in making your origami design.

Traralgon South Primary School's 3rd Annual
