

Dear Parents,

Trivia Night Fun

We had a fantastic night at the Trivia night on Friday, with lots of fun and plenty of laughs. The hall was quite full and it was particularly great to see the different fancy dress themes. Prizes were awarded to the best dressed, as well as a lucky chair prize. We raised over \$3000 on the night, through ticket sales and auctions, which will be shared between the school and kindergarten.

I would like to thank the organising committee for all of their hard work and time spent chasing prizes from local businesses. It can often be quite a challenge to walk into a store and ask for a donation, but we were able to get some fantastic prizes. Our MC for the night, Richard Ingle, was the life of the party and got everyone engaged in answering the questions as best they could. I would like to ask those who have outstanding payments that they make those by the end of this week please.

Division Athletics

We have a large group of students participating in the Division Athletic Sports today representing the Glengarry District of Schools. Several parents have offered to help transport groups of students over to Moe which is greatly appreciated. If students qualify for the Regional Sports, it will be held this Friday 13th September.

Active After School Program End This Week For Term 3

The Active After School Program will finish this week. Our last sessions will be on Wednesday and Thursday, before having a break. The program will continue in Term 4 which is likely to begin in the second week. More details will be published prior to the program beginning again.

Bush Dance Tomorrow Night

Parents are reminded that our school Bush Dance will be held this Wednesday night at the Kosciuszko Street Primary School hall. Tickets are \$20 per family and \$5 per extended family member and can be paid beforehand or on the night. This should be another entertaining evening and I look forward to seeing you there. Students and their families can dress in bush dance attire if they wish. Snacks and drinks will also be available. Doors open at 6:45pm with the dance beginning at 7:00pm. Parking also available in Catterick Crescent / basketball stadium – access to the hall across the schools bitumen area.

Swimming Program

The swimming program for students in Grades Prep, 2/3 and 4/5 will begin in early Term 4. The program will be conducted on Tuesdays and Wednesdays for 9 sessions. Teachers and students will travel by bus to the Churchill

Leisure Centre with the first group of students swimming from 11:00 – 11:45am, with the second group swimming from 11:45am – 12:30pm. A permission form outlining costs will be sent home later this week.

Thanks To Parents & Friends

I would like to thank the Parents and Friends committee for running the BBQ at the hall on election day. They raised over \$200 which is a great achievement. Thanks go to the organisers as well as the other parents who were able to help on the day.

Joel Fraser – Principal

THANK YOU KAITLYN

Last week Grade 4/5 made Mexican whistles out of clay in their art lesson. Kaitlyn Algie in 4/5 kindly donated the clay for the grade to use. Earlier on in the year Kaitlyn made a Mexican whistle out of clay in one of our art lessons and was very successful in doing so. Kaitlyn was so happy with her whistle that she wanted her classmates to have a go at trying to make one too. So last week Kaitlyn brought along the clay and all her classmates had a go!

Kaitlyn carefully explained and demonstrated to the class, the process of making the whistle, making sure that the different parts fitted together in just the right place, so that it made a whistling sound. Quite a few students were successful in getting their whistle to work and others had to take it home to finish to tweak the final parts to get it just right!!

The photos show just how busy Kaitlyn was, working with her fellow classmates to help them make their Mexican whistle, hardly having a moment to work on her own! Thank you Kaitlyn it was a fun activity!

~ Yvonne Game ~

PARENTS & FRIENDS FOOTY LUNCH

Orders due in **no later than tomorrow**, Wednesday 11th September for the Footy Day Lunch on Thursday 19th September to coincide with Team Colours Day.

Weekly Newsletter No 27
Tuesday 10th September 2013

YOU CAN DO IT STUDENT OF THE WEEK AWARDS For Week Ending 6th September 2013

Prep	Benj Selwyn	For thinking hard to solve maths measurement problems.
1/2	Leila Hare	For always displaying excellent listening skills.
2/3	Julia Bates	For excellent efforts in her writing.
4/5	Flynn Mackintosh	For a great attitude towards completing his homework this week.
5/6	Jack Carroll	For being a hard worker during all school activities.
Principal	Hailee Henry	For being a great friend to her peers.

Working Bee This Sunday – 15th September

Parents are reminded about the working bee which is scheduled for this Sunday 15th September beginning at 9:30am. There are a range of jobs to be completed including repairing timber fences, removal of trees, and garden maintenance. Parents are reminded that they aren't required for the whole day, as even a few hours of work is greatly appreciated.

As in the past a sausage sizzle will be provided for lunch. Please return the slip previously sent home for catering purposes or contact me at school on 5195 5244.
