

Dear Parents,

District Athletic Sports Results

The District Athletic Sports were held today at the Moe athletic track with 12 of our students representing our school and district at the event. They were Mia, Teagan, Benjamin, Harrison, Blake H, Hailee, Sam, Georgie, Julia, James, Emma H and Jake. We had

some outstanding results with Harrison coming first in the 800m, Hailee first in the long jump, Teagan first in the relay and third in the 800m, James second in the shot put, Blake also qualifying for Zone with third in the 100m and some close finishing fourths from other students.

Congratulations to all of you on your efforts on the day. A big thankyou to Bianca, Robyn, Jody and Leonie for providing transport and supporting our students.

Trivia Night

Our third annual trivia night is this Saturday night being held at the community hall with doors opening at 6pm. We have six tables booked at this stage which I'm told is slightly under where we were at this stage last year. Stacey and her team have organised some fabulous prizes and raffles for the night so please don't hesitate to contact Karyn and book your tickets for this great fundraiser and entertaining night in support of our school.

Father's Day Stall

Thankyou to Cassie and her team of Parents and Friends for running and organising the Father's Day stall last Friday and being flexible with my changes to the timetable of grades. The stall raised just over \$600 which I'm sure you'll agree is a great effort by all involved.

Principal Announcement

With all things going to plan the new School Principal will be announced on Thursday this week. At a special School Council meeting on Monday night the selection panel presented their findings to our Council for endorsement. Their findings and selection were endorsed by all Council members in attendance will now need to be approved now by the States Regional Director before the announcement.
