Dear Parents,

In last week's newsletter I mentioned the school's Community Dinner to be held on Friday 21st October. We have a list of jobs and responsibilities that are to be filled. One of the major decisions making this a TSPS event was that it wasn't to be run solely on the shoulders of the Parents and Friend's committee or School Council, but across our school community. We are looking for people to volunteer to make salads, desserts and prepare food for the night as well assist with the set up and cooking. A small amount of assistance goes a long way.

At the office there is also a letter, which may be used by families to seek donations for the raffle. A few families have already kindly donated gift baskets and goods to go towards the raffle. If you are able to help in any way, it may be just cutting up tomatoes, please make sure you come and see me or email.

At the last assembly we gave the English awards for the ICAS tests. Not only is it great to see so many students giving it a go, it's great to see some of the fantastic results that are coming out. This coming assembly we have the Mathematic awards which I believe is the last set to be handed out.

Lost property continues to be an ongoing issue with the tub constantly full. It was emptied one day last week, then over flowing the next day!! Please ensure that all clothing is named appropriately with your child's name on it. It's great when items can be re-used from family to family; what's not so helpful is when the old families' name remains on the jumper!

Some very exciting news and new additions for every student in every classroom from the Parents and Friends' meeting on Monday. Through funds raised, we are purchasing individual whiteboards for every student which will be used in the classrooms. These whiteboards will be a valuable addition from Prep through to Grade 6 as it allows teachers to gather formative assessment on what students understand before they return to their seats. They can be used in a multitude of ways to help have a greater impact on student learning. They should be hitting classrooms in the next week or so. Thank you to the Parents and Friends' committee for raising these funds to assist the learning of our students.

Here's looking forward to some better weather in the week ahead!!

Adam Downes – Principal

ICAS ENGLISH COMPETITION RESULTS

Recently a number of our Years 2 to 6 students elected to enter the International Competitions and Assessments for Schools (ICAS) **English** competition. This is an international competition and students excelling received awards as outlined below. –
