This Friday 21st October from 5:30pm
at the Traralgon South Cricket Club

RSVP via the slip from last week's newsletter
or by email to communitydinners@outlook.com

by 4:00pm today.

Dear Parents,

Community Dinner This Friday

Everything is in full swing for this Friday night's school run Community Dinner. If anybody has time to spare on Friday morning after drop off it would be greatly appreciated if you could help get the clubrooms ready for the night. Help is also required making the hamburgers and preparing some of the fillings for the burgers.

There are also a few jobs on the night which need filling. It would be great if we could rotate these around so everybody gets to enjoy the night. We need raffle ticket sellers, door people to collect money, cleaners after and packerupperers (yes that is now an official word ☺). If you are unable to help before the night you might like to help with a small amount of time on the night.

On the night the bar will be open so there is **no BYO** alcohol as it's a licensed venue. You may supply your own soft drinks.

Students Out Of Uniform

We have noticed that a number of students are coming to school consistently out of school uniform. We believe that we have a wide range of uniforms available that allows variety and differing budgets. There are also the second hand uniforms for sale at very reasonable prices. The current uniform policy can be located on our website. Part of that policy stated that an 'Out of Uniform' note will be sent home to parents when your child is out of uniform. Not only does this remind parents of the uniform but it may also help for those students who may refuse to wear the required apparel.

Car Park Safety

Please take care when driving through the car park and entering/leaving this area. There have been a few near misses lately so please take a bit of extra care when backing out or leaving where you are parked.

Absence Notes

A reminder that it is a Department requirement that an absence note be received by the school for every student absence. We have a large number of missing notes right across the school. If your child is absent for the day/week we require a note with the reason they were away. These are actually checked randomly when the school has an audit. Our region uses these measures for the school and look at explained and unexplained absences.

Soon you may receive a letter detailing the dates for unexplained absences. If you do, could please supply a note detailing why your student was away. If a child is away for the week due to illness or holiday, one note for that period will suffice. Thanks for your cooperation with this. We know it may seem petty but it is a requirement for all schools that is reinforced.

Adam Downes - Principal

YOU CAN DO IT
STUDENT OF THE WEEK AWARDS
For Week Ending 14th October 2016

P/1	Josh Elms	For a fantastic effort with his writing.
1/2	Piper Skurrie	For being curious and enthusiastic in science.
