POLICY:**1. School Profile:**

Traralgon South Primary School, the oldest established school in the district, is situated in a picturesque bushland setting an approximate 10-minute drive south of Traralgon. Originally, the school predominantly served the local farming community. Today, our school is comprised of families from the Traralgon South, Callignee, Koornalla and Hazelwood North areas, as well as a growing number from the Traralgon township.

Typically, our school has approximately 115 enrolled students across five classrooms each year, supported by various staff members, including classroom teachers, a Physical Education teacher, an Art/Music teacher, teacher aides and a Business Manager.

We foster regular interaction with other local Primary Schools through inter-school camps and sporting activities, providing connections for our students to a wider community and social network. We strive to provide a nurturing and challenging environment that empowers students to reach their personal best, both academically and socially.
