

TRARALGON SOUTH PRIMARY

KINDER / PREP TRANSITION

FOR 2019

We are very excited that you have chosen Traralgon South Primary School as your child's school for 2019. Below are some transition dates that will be used to help make each new student feel more comfortable with the school surroundings.

For each of the visits, students will begin in the current Prep classroom. Parents are encouraged to drop their children off at the classroom, stay for a short time but then leave to help aid transition. There will be some Grade 5 students to assist with each session. Parents are welcome to come to the staff room and enjoy a chat and a cuppa. Uniforms may also be purchased/ordered during this time. Please note we do not have EFTPOS.
