PURPOSE:

To ensure school staff understand their supervision and yard duty responsibilities.

SCOPE:

- This policy applies to all teaching and non-teaching staff at Traralgon South Primary School, including education support staff, casual relief teachers and visiting teachers.

POLICY:

1. Appropriate supervision is an important strategy to monitor student behaviour and enables staff to identify and respond to possible risks at school as they arise. It also plays a vital role in helping schools to discharge their duty of care to students.
2. The Principal is responsible for ensuring that there is a well-organised and responsive system of supervision in place during school hours, before and after school, and on school excursions and camps and other school activities.
3. School staff are responsible for following reasonable and lawful instructions from the Principal, including instructions to provide supervision to students at specific dates, time and places. Supervision should be undertaken in a way that identifies and mitigates risks to child safety.
4. **Before and After School:**
 - a. Traralgon South Primary School grounds are supervised by school staff from 8:45am until 3:45pm. Outside of these hours, school staff will not be available to supervise students. Before and after school, school staff will primarily supervise the entrance of the school.
 - b. Parents and carers will be advised through our website and regular reminders in our weekly newsletter that they should not allow their children to attend Traralgon South Primary School outside of these hours.
 - c. Families are encouraged to refer to our website (<https://www.traralgonsthps.vic.edu.au/outside-school-hours-care.html>) for more information about the before and after school care facilities available to our school community.

- d.** If a student arrives at school before supervision commences at the beginning of the day, the Principal or nominee staff member will, as soon as practicable, follow up with the parent/carer to:
 - i.** advise of the supervision arrangements before school;
 - ii.** request that the parent/ carer make alternate arrangements.
- e.** If a student is not collected before supervision finishes at the end of the day, the Principal or nominee staff member will consider whether it is appropriate to:
 - i.** attempt to contact the parents/carers;
 - ii.** attempt to contact the emergency contacts;
 - iii.** place the student in an out of school hours care program; and/or
 - iv.** contact Victoria Police and/or the Department of Health and Human Services (Child Protection) to arrange for the supervision, care and protection of the student.

5. Yard Duty:

- a.** All staff at Traralgon South Primary School are expected to assist with yard duty supervision and will be included in the weekly roster.
- b.** The Principal or nominee is responsible for preparing and communicating the yard duty roster on a regular basis. At Traralgon South Primary School, school staff will be required to supervise the whole yard area.
- c.** School staff must:
 - i.** Carry the Yard Duty Book whilst on duty, located in the staffroom;
 - ii.** Be familiar with the information within the Yard Duty folder, including relevant individual student health and safety information stored within.
 - iii.** Methodically move around the school ensuring active supervision of all students;
 - iv.** Where safe to do so, approach any unknown visitor who is observed on school grounds without a clear legitimate purpose and ensure they have signed in to the General Office (excluding drop off and collection periods);
 - v.** Be alert and vigilant;
 - vi.** Intervene immediately if potentially dangerous or inappropriate behaviour is observed in the yard;
 - vii.** Enforce behavioural standards and implement appropriate consequences for breaches of safety rules, as per the Traralgon South Primary School Yard Behaviour Matrix (see attached), and in accordance with any relevant disciplinary measures set out in our relevant school policies;
 - viii.** Ensure that students who require first aid assistance receive it as soon as practicable;
 - ix.** Log any incidents or near misses onto uEducateUs as appropriate;
 - x.** Recognise and reward students displaying the Traralgon South Primary School RIPPER Values (see attached);
- d.** If being relieved of their yard duty shift by another staff member (for example, where the shift is 'split' into 2 consecutive time periods), ensure that a brief but adequate verbal 'handover' is given to the next staff member in relation to any issues which may have arisen during the first shift;

- e. If the supervising staff member is unable to conduct yard duty at the designated time, they should contact the Principal with as much notice as possible prior to the relevant yard duty shift to ensure that alternative arrangements are made;
- f. If the supervising staff member needs to leave yard duty during the allocated time, they should contact the Principal but should not leave the designated area until the relieving staff member has arrived in the designated area;
- g. If a relieving or next staff member does not arrive for yard duty, the staff member currently on duty should send a message to the General Office and not leave the yard until a replacement staff member has arrived; and
- h. Students will be encouraged to speak to the supervising yard duty staff member if they require assistance during recess or lunchtime.

6. Classroom:

- a. The classroom teacher is responsible for the supervision of all students in their care during class.
- b. If a teacher needs to leave the classroom unattended at any time during a lesson, they should first contact the General Office for assistance. The teacher should then wait until another staff member has arrived at the classroom to supervise the class prior to leaving.

7. School Activities, Camps and Excursions:

The Principal is responsible for ensuring that students are appropriately supervised during all school activities, camps and excursions, including when external providers are engaged to conduct part or all of the activities. Appropriate supervision will be planned for special school activities, camps and excursions on an individual basis, depending on the activities to be undertaken and the level of potential risk involved, and will follow the supervision requirements in the DET [Excursions Policy](#).

8. Digital Devices and Virtual Classroom:

Traralgon South Primary School follows the DET's [Cybersafety and Responsible Use of Technologies Policy](#) with respect to supervision of students using digital devices.

Traralgon South Primary School will also ensure appropriate supervision of students participating in remote and flexible learning environments while on school site. In these cases, students will be supervised in a common use area.

9. Students Requiring Additional Supervision Support:

Sometimes students will require additional supervision, such as students with a disability or other additional needs. In these cases, the Principal or delegate will ensure arrangements are made to roster additional staff as required. This may include on yard duty, in the classroom or during school activities.

10. Supervision of Student in Emergency Operating Environments:

In emergency circumstances our school will follow our Emergency Management Plan, including with respect to supervision.
